

## **Library of Things Collection Development and Circulation Policy**

The Library of Things is a collection of non-traditional library items that complement the Lake Region Public Library's mission to enrich the citizens and communities of the Lake Region through expanding access to innovation, information, ideas, and inspiration. Patrons who borrow a Thing agree to abide by the Library of Things lending guidelines below.

### **Types of Things included in collection:**

- Home Improvement and Assistive Devices, such as a ladder, household tools, etc.
- Audiovisual Equipment, including a laptop and mobile hotspot
- Recreation and Crafting Tools, including backpacks curated for ice fishing and hiking and DVD "binge boxes" containing multiple DVDs along a common theme

The Library of Things is not intended to be comprehensive and the library is limited by a finite amount of storage space for these items. For a full list of items available, visit the library website or library catalog.

**Procurement of Materials:** The Library of Things collection is developed and managed to meet the cultural, informational, educational, and recreational needs of library patrons of all ages in Ramsey County. The library's professional staff will select materials based on the needs of library patrons. The library welcomes input from the community concerning the collection. All suggestions for purchase are evaluated using the same selections criteria as for other materials and are not automatically added to the collection.

Due to limited storage space and the staff time necessary to evaluate, test and maintain each Thing, the library can accept only a limited number of donations. The library does not accept materials that are not outright gifts, and cannot guarantee the permanence of a gift in the collection. Materials donated to the library are received with the understanding that they are subject to the same selection, evaluation and disposal criteria as material acquired for purchase. Not all library materials may be suitable for all members of the community.

Responsibility for a child's use of library materials, regardless of format or content, lies with the parent or guardian, not with the library.

Due to the nature of the items contained in the Library of Things, these items will not be eligible for Interlibrary Loan to other libraries. All library patrons are required to check out and return Library of Things items to a staff member at the circulation desk of the Lake Region Public Library.

**Evaluation of Collection:** The library will use circulation data and community suggestions to guide future selections for the Library of Things collection. Items that are not popular and do not circulate will be withdrawn from library collections according to the Collection Maintenance portion of the Collection Development Policy.

**Library's Use of Things:** The library reserves the right to take a Thing out of circulation temporarily to use for library purposes (workshops, demonstrations, or other programs), or to repair a damaged item.

**Library of Things Guidelines for Borrowing and Use:** Objects lent out by the Library through its Library of Things program must be checked out from and returned to the circulation desk of the Lake Region Public Library. They may NOT be returned in the drop box or at any other location. Because of the variety of Things available to check out, some of which are fragile, expensive, and / or designed for use by individuals of a certain maturity level, circulation policies have been developed based on the type of Thing to be checked out.

Patrons with active library cards in good standing for more than three (3) months are eligible to check out materials from the Library of Things collection. Patrons are required to sign a separate Library of Things lending Agreement outlining the information in this policy each time a Thing is borrowed.

**Loan Periods:** Most Things may be borrowed for 1 week or 2-week intervals, depending on the item, and renewed per the library's general policies. Items will not be renewed if another patron has placed a hold on it. Some items may be for use in the library only, or may have other restrictions. The library does not charge daily late fees; however, a library card may be blocked immediately if a Thing becomes overdue.

**Use and Liability:** Use care when handling the Thing. The borrower is solely responsible for the Thing and will be billed for reasonable repair or replacement costs associated with damage or loss of Things and/or peripherals due to neglect or abuse. The Library has sole discretion in making these decisions. A list of replacement costs of Things is maintained by the Library and is available upon request. A list of replacement costs will also typically be provided in the case for each Thing. The Library of Things Lending Agreement is available online and upon request. Patrons may be asked to sign a copy of the Agreement when checking out some items.

The Lake Region Public Library is not responsible for any injury, loss, or damage that may occur from use of a Thing. The responsibility to protect against loss is the borrower's. Library staff will inspect Things prior to borrowing and again upon return. Things should be returned in the same condition as when borrowed. Kitchen items and other things that have gotten dirty while

borrowed should be cleaned before being returned. Patrons returning items that need to be cleaned will be assessed a \$5.00 cleaning fee. Return the Thing with all parts and components in the original library container to the circulation desk of the Lake Region Public Library.

Patrons will be responsible for any damage to a Thing while in their possession. • The borrower accepts full responsibility for the Thing while it is checked out to them. • The borrower agrees to abide by all lending guidelines. • The borrower agrees to accept full financial liability for the Thing and accessories while it is checked out to them. • The borrower agrees to return the Thing to the staff member working at the circulation desk of the Lake Region Public Library. • The borrower agrees that failure to comply with any of these rules and guidelines may result in the loss of borrowing privileges. • Violations may result in loss of access to the library collection. Unlawful activities will be dealt with in an appropriate manner.
